**Town Council Regular Meeting Minutes
Wednesday, March 19, 2025
Town Hall Green Room**

In Attendance: Chairman Carrie Allen, Chris Passante, Brian Roccapiore, Hank Teskey, Chris Aniskovich, Mike Shove and Dennis Donovan
Also participated: Michelle Benivegna, Town Manager

C. Allen called the meeting to order at 7:00 PM. Dennis Donovan led the council in the pledge of allegiance.

VISITORS

No visitors wished to speak at this time.

APPROVAL OF MINUTES – MARCH 05, 2025 AND MARCH 12, 2025

C. Passante made a motion, seconded by B. Roccapiore to approve the minutes from March 05, 2025, and March 12, 2025. The motion was unanimously approved.

APPOINTMENTS

C. Passante made a motion, seconded by B. Roccapiore to appoint Trish Vatis (U) to the Historic District Commission full seat for a term until June 30, 2025. The motion was unanimously approved.

C. Aniskovich made a motion, seconded by D. Donovan to appoint Mark Burno (R) to the Inland Wetlands Commission alternate seat for a term until June 30, 2026. The motion was unanimously approved.

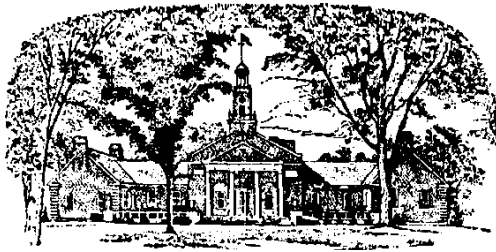

B. Roccapiore made a motion, seconded by H. Teskey, to appoint Enrique Alvarez Sotomayer (U) to the Tree Committee for a term until June 30, 2025. The motion was unanimously approved.

C. Aniskovich made a motion, seconded by M. Shove to appoint Curtis Guilford (R) to the Public Works Commission for a term until June 30, 2028. The motion was unanimously approved.

FIRE TRUCK APPROPRIATION

M. Benivegna presented two funding options for the fire truck, with an estimated cost of \$1,600,000. The town will still need to go out to bid to determine the exact cost. Currently, there is \$930,000 in the fire department apparatus fund.

- Option 1: Appropriate and bond \$900,000, using \$930,000 from the apparatus fund to cover the remaining cost of the truck. This option would require town meeting approval.
- Option 2: Bond the entire cost of the fire truck, leaving the \$930,000 in the apparatus fund to cover any potential bid overages or to fund future truck purchases. Since the total bond cost exceeds 3% of the total tax levy, this option would require referendum approval.

Fire Chief Brian Manware reviewed the fire truck replacement schedule with the council, noting the lifespan of a fire truck is 25 years. After discussion, the council decided to proceed with Option 2—to bond the full amount of the truck. Should the cost exceed \$1,600,000, the additional funds will be supplemented from the apparatus fund. The council will act on the bonding resolution at their next meeting.

TOWN BEACH UPDATE

Bo Potter provided an update to the council regarding the basketball court project at the Town Beach, which has received approval from the Planning & Zoning Commission. The Park and Recreation Department secured two grants for the town beach—a \$55,000 award and a \$250,000 award. Of these funds, \$22,000 has been allocated to renovate and upgrade the pavilion at the beach, while the remaining \$283,000 is designated for the basketball court project. Bo Potter also reviewed the project's details thoroughly during the council meeting.

LINE-ITEM TRANSFER REQUESTS

C. Aniskovich made a motion, seconded by H. Teskey, to approve the Public Works line-item transfer request to decrease contingency by \$27,099.72 and increase overtime snow/ice by \$12,134.19 and snow plowing/sand by \$14,965.53. The motion was unanimously approved.

H. Teskey made a motion, seconded by C. Passante, to approve the Finance Department line-item transfer request to decrease contingency by \$4,922.50 and increase probate court by \$89.50 and estuary council by \$4,833.00. The motion was unanimously approved.

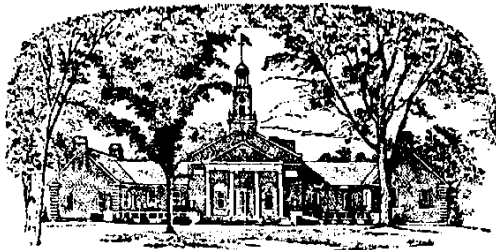

FINANCIAL REPORT

Robert Tait, Finance Director, reviewed his monthly financial report with the council. A copy of the financial report is attached to the minutes.

TOWN MANAGER'S REPORT

M. Benivegna reported on the following topics:

- Auditing Services: The town initiated a bid process for auditing services and received two proposals this week. These proposals will be reviewed by both the Town and Board of Education.
- Proposed Budget Legal Notice: The legal notice for the proposed budget has been drafted. Copies were distributed to the council and posted on the town's website. A public hearing is scheduled for April 24, 2025, at 7:00 PM.
- Rocky Ledge and WPCC Downtown Project: The Town Council will schedule a workshop at the end of May to discuss this project. Questions from the council have been forwarded to WPCC for review.
- Meet and Greet Event: M. Benivegna held her second Meet and Greet at the Library, which was well attended. The next event, titled "Community Happenings Chat," will feature the Town Manager and Town Planner and is planned for May or June. Further details will be announced.
- Library Project Workshop: The council will schedule a workshop with the Library to allow them to present their project to the council.

Town of Clinton
54 East Main Street
Clinton, Connecticut 06413

- Annual Report: The Annual Report is complete. Copies are available online and at the Town Manager's office.
- Kayak Racks at Esposito Beach: Two new kayak racks are being installed at Esposito Beach. The Park & Recreation department will begin accepting applications starting April 1st.
- Town Hall Repairs: A company is currently repairing the roof drains at Town Hall. Once this work is completed, Public Works will address interior repairs caused by water damage.
- Town-Wide Project Updates:
 - East Main Street Sidewalk: Construction is underway and nearing completion.
 - West Main Street Sidewalk: The Town Council approved expanding the scope to include both the north and south sides of Route 1. The council has committed to completing the North Side. The Town Manager has been authorized to proceed with negotiations and necessary contracts to advance the project to 30% design. Negotiations are in progress, and once a contract is secured, design work—including surveys—will commence.
 - Beach Park Road Tide Gate Replacement: Managed by Ducks Unlimited, this project does not require Town funds for construction. However, limited Town funds within the DPW budget will be allocated to the consulting Town Engineer for inspection during construction. The contractor is responsible for signage and outreach. DPW will assist with communication by dedicating a webpage for project updates and posting signs along the road to warn of upcoming construction this spring.
 - Bridge Projects: Three bridge projects are planned over the next 2–3 years, and all are 100% reimbursable:
 - Country Village Lane: Currently in the design and permitting phase. A general information session was held in February to introduce the project to residents.
 - Ben Merrill Road: Currently in preliminary design.
 - Waterside Lane: Also in preliminary design. A public information session to discuss design options for the new bridge and solicit public feedback will be held. The session is tentatively scheduled for April.

CHAIRMAN'S REPORT

C. Allen attended last week's Meet and Greet at the Library.

TOWN COUNCIL DISCUSSION

D. Donovan requested an update on the Landfill Capping project and the status of the Morgan School reimbursements from the state. Additionally, Donovan proposed scheduling a workshop to review the Town Charter to ensure the council has a clear understanding of it.

TOWN COUNCIL COMMITTEE LIAISON REPORTS

- D. Donovan updated the council on the Police Commission meeting.

Town Manager

Town of Clinton
Finance Director – Monthly Report - Narrative
03/19/2025

Revenue & Expenditure Statements for 2024-25 @ 03/17/2025 (p.1 & P.3)

- The expenditure budget after eight and a half months appears to be on budget. Currently it is expected to have savings of (at least) \$250,000 due to open positions and benefits savings (medical). A few accounts in the police budget are over budget. An internal police budget transfer is forthcoming.
- Investment income will exceed the revenue estimate amount by \$700,000.

Investments (p. 12)

- Interest rates have remained relatively the same from January to February. The STIF rate went from 4.45% to 4.46%. Currently, on 03/17/2025, the daily STIF rate was 4.41%.

General Fund, Fund Balance @ 06/30/2025 (p. 13)

- The 06/30/2024 (audited) **unassigned** general fund, fund balance = \$15,664,487 which represents 24% of total (2024-25) budget amount. The estimated 06/30/2025 unassigned fund balance is \$14,069,022 which represents 22% of total budget. This assumes the budgeted use of fund balance of \$2,625,000 in the 2025-26 budget (before public hearing). 20% of the total budget equates to \$12,884,809.

Contingency Account (p.14)

- The contingency account has a balance of \$36,484.

General Comments

- An RFP was sent out for the annual audit. Two proposals were received.
